Our innovative personal care and cosmetics suppliers

Business Line
Personal Care Industry
Europe

Products	Benefit/properties	Application
KF emulsifiers	W/Si and O/W linear emulsifiers	Make-up and skin-care
KSG emulsifiers	Branched emulsifying cross-linked elastomers swelled in various solvent	Make-up and skin-care
KSG elastomer gel	Silky skin feel	Make-up and skin-care
Silicone powders	Slip and powdery improvement	Make-up and skin-care
Film formers	Long staying effect	Sunscreen
Silicone waxes	Long staying effect, shine improvement	Make-up
Physical filters dispersion	High SPF value, broad UV protection without any whitening effect	Sunscreen care and daily skin-care

Products	Benefit/properties	Application
Cirebelle 102, Cirebelle 104	Mechanical exfoliators available in various colors and size	Scrub cream/wash
Cirebelle 104 Softspheres	Self hydrating wax spheres, entrapping active ingredients	Cream and face wash
Cirebelle waxes	Linear synthetic waxes, improves skin-feel , various melting points	Make-up and skin-care

Products	Benefit/properties	Application
E-polylysine	Cationic natural polymer with conditioning and antibacterial properties	Organic/natural range
Purecolla	Synthetic collagen, wrinkle improvement	Anti-ageing, film sheets, hair care

Products	Benefit/properties
Sabo®Amid	Fatty acid alkanolamides, Amine oxides
Sabo® Derm	Giving Factors and oily components
Sabo® Nal	Fatty Alcohols
Sabo®Pal	Ethoxylated Fatty Amines
Sabo®Perl	Pearlshine Agents
Sabo®Quat	Quarternary Ammonium Compounds
Sabo®Sol	Alkyl sulfates and alkylether sulfates, Sulphosuccinates and sarcosinates, Compounds for toiletries,Amphoteric surfactants
Sabo®Sorb	Sorbitan esters and polysorbates
Sabo®Wax	Ethoxylated Fatty Acids, Ethoxylated Fatty Alcohols, Ethoxylated Glycerides, Giving Factors and oily components

Products	Benefit/properties	Application
Lowenol	Surface-active agents, surfactants, protein derivatives, conditioners	Hair color and oxidation systems
Lowacryl	Cationic dyes	Semi-permanent and tempory color systems
Lowadene	Disperse dyes	Semi-permanent and tempory color systems
Lowasol	Solvent soluble dyes	Semi-permanent and tempory color systems
Rodol colors	Dye intermediates	Hair color cream and powders
Powder colors	Demi-permanent colors in an anionic surfactant powder base	Powder palette
HC colors	Specifics dyes	Semi-permanent and tempory color systems

NIHON KOKEN KOGYO CO., LTD.

Products	Benefit/properties	Application
Daimicbeaz	Polyurethane with soft-focus with matt feeling and rolling characteristics	Make-up and skin-care
Ganzpearl	PMMA beads providing soft-focus, hight transparency, matifying effect	Make-up and skin-care
Barium sulfate	Luster and matt grade, extreme smoothness with blurring effect	Make-up and skin-care
Talclear	High-quality talc with elegant luster, easily water soluble, asbestos free	Make-up and skin-care
Hifeset	Layered pearl pigments coated with an unique tin oxide/titanium oxide surface treatment on a synthetic mica	Make-up and skin-care
Twinclepearl	Pearl pigment based on synthetic mica coated with titanium dioxide, superior in whiteness, excellent brightness	Make-up and skin-care
Mistypearl	Super-fine pearl pigment based on talc, matt effect, interference colors with high chroma	Make-up and skin-care

Products	Benefit/properties	Application
Tiara	Pearlescent pigments coated with tin oxide/titanium oxide and aluminium lake on glass.	Make-up and skin-care

DAICEL CHEMICAL INDUSTRIES, LTD.

Products	Benefit/properties	Application
1,3 Butylene glycol	Solvent, avoid lipstick cracking	All cosmetic products
Polyglycerol derivatives	High purity polyglycerol, ultra-mild surfactant	Make-up remover, sensitive rinse-off products

互応化学工業株式会社
GOO CHEMICAL CO., LTD.

Products	Benefit/properties	Application
Plascize L-series	Acrylic resin polymer for hair styling with various fixative powers	Hair mousse, aerosol, mist, mascara
Plascize L-2700	Unique non-ionic polymer with re-sheapeable hair styling properties	Hair styling, skin-care

MCP Mallard Creek Polymers

Products	Benefit/properties	Application
Polysaf 5600	Cationic polymer, water solution, offering active release, film forming and odor control properties	All cosmetic products

VERDAN

Products	Benefit/properties	Application
Kalunite potassium alum	Micronized natural potassium alum, astringent and odor control	Aerosol, deodorant, acne-prone line

Applechem

Products	Benefit/properties	Application
NatureVgel series	Creates a 3-dimensional structure with "cushion like" sensation and good film forming properties	Skin-care
Applecare A-100	Universal pigment dispersion aid	Color cosmetics, sun care

PYCNOGENOL NATURE'S SUPER ANTIOXIDANT

Products	Benefit/properties	Application
Pycnogenol	Powerful antioxidant	Anti-wrinkles, collagen protection, suncare range, hyper-pigmentation
