

# Azelis Personal Care

# Your proactive partner in personal care

Personal care is a highly competitive market driven by consumer demand for new products, often developed and marketed around clinically-proven ingredients.

Azelis Personal Care provides superior technical support that can strongly influence raw material choice. Our experts create new formulations for personal care products and fragrances. We identify new opportunities and help our customers and principals to test and commercialise new ingredients. We have a reputation for insightful marketing expertise and provide a reliable, cost-efficient supply chain across Europe.

## Our product range includes

- **Decorative Cosmetics**  
The latest technologies in pigments and cosmetic applications
- **Skin Care**  
Leading-edge and clinically-proven actives for beauty and protection
- **Fragrances**  
Fragrances for all personal care and home care applications
- **Hair Care**  
Conditioners, fixatives and actives for hair care ranges
- **Oral Care**  
Thickeners, abrasives, humectants and actives for toothpaste formulations
- **Bath & Body**  
Actives with measurable properties, plant extracts and naturally derived ingredients
- **Sun Care**

- **Functional Ingredients**  
Silicones, thickeners, stabilisers, scrubs and other functional ingredients
- **Fragrance Ingredients**  
Balanced portfolio of key-note synthetics and naturals

“Our experience enables us to quickly identify the individual ingredients, blends or formulations that will create particular product characteristics.”

## Inspirational formulation, first-class service

Azelis Personal Care is Europe’s leading distributor for innovative ingredients and inventive application solutions in personal care, fragrance and fragrance ingredients.

Our industry-renowned team can add value for principals and customers, helping to identify new markets and emerging consumer trends. Through partnership with world-class manufacturers, we supply quality ingredients with clinically-proven properties. Our ability to test products, attain approvals and supply to just-in-time delivery schedules makes us the chosen partner for many leading brands.

## Formulation experience you can rely on

Azelis Personal Care has developed over 3,000 successful formulations. Our knowledge of lifestyle trends, fashion and consumer awareness can result in fast changing, novel formulations with unique characteristics, expertly blended to meet the aspirations of your target audience. We can give you a fresh marketing edge on established products too, introducing new ingredients to create a contemporary look, invigorating aroma or new functional benefits.

## We’re here to help

Whether you are a product developer, brand owner, contract manufacturer or a principal – established or just starting out – our knowledgeable team is here to help.

### Applications Laboratories
