Fragrance in Cosmetics Zone
The **Fragrance in Cosmetics Zone** gives you **unique access** to **1000s of cosmetics manufacturers** eager to **discover your latest products and learn from your expertise**

**Who should exhibit?**
- Fragrance houses
- Producers / distributors of essential oils, concrete, absolutes and other natural extracts
- Producers, distributors of synthetic ingredients
- Companies wanting to target the cosmetics and personal care industry

**Why exhibit?**
- Grow your business across all sectors (skincare, haircare, suncare...) and regions
- Meet brands and private labels from around the world
- Engage with formulators, R&D professionals and understand their specific needs
- Learn about market trends and consumer requirements

**Did you know?**
- The 2014 event attracted 7200+ visitors from 95 countries
- 54% visited the Fragrance Zone*

What our exhibitors say...

“A tremendous opportunity to make 70 contacts in 20 different countries!”

Thierry Sofia, Export Sales Director, Concept Aromatique [France]

“We had a lot of people to our stand!”

Herve Fretay, Global Business Director, Givaudan [UK]

“It was our second time at in-cosmetics and we met with customers from Germany, Austria, Poland which we can’t usually touch directly. Very positive!”

Nicholas Herve, Business Development Manager, Bontoux SA [France]

What our visitors say...

“It was a great success for us. Bravo to the organizers!”

Antonia Trevisan, Group Marketing Manager, Elixens [France]

What our exhibitors say...

“It is very convenient to see the Fragrance suppliers combined in one place!”

Jaroslaw Mazgalski, Technology Manager Contract Manufacturing, Astellas [Netherlands]

You can collect huge amount of information at one point – Very helpful.

Thorsten Szanyi, Supply Chain Manager Raw Materials & Fragrances, Beiersdorf [Germany]

It is right to the point. You see everybody, you learn a lot and you get what you want.

Iman Alashkar, Aiial International [U.A.E]
